VISION

To be the premier University in Science, Technology and Innovation

MISSION

To provide excellent University education, training and research through integrating Science, Technology and Innovation into quality Programmes to suitthe needs of a dynamic world

CORE VALUES

- Customer focus
- Accountability
- Collegiality
- Equity
- Excellence
- Innovativeness
- Professionalism

QUALITY POLICY STATEMENT

Masinde Muliro University of Science and Technology is committed to providing high quality education that offers intellectual, social, cultural and economic benefits through quality teaching, training, research, consultancy, extension and community service.

The University is dedicated to improved service delivery, professionalism, innovativeness, teamwork and integrity; to prepare scholars of high intellectual capacity relevant to societal needs. The university realizes that customer and stakeholder needs and expectations continually change. Therefore, it undertakes to continuously understand and stay ahead of the trends in this regard.

The University Management undertakes to realize this goal by identifying and mitigating any risks and opportunities and periodically monitoring the institution's performance through customer and industry surveys, annual performance contracts as well as the implementation of an effective and efficient QMS based on ISO 9001:2015 standard, statutory/regulatory and customer requirements.

This quality policy statement shall be reviewed annually to adapt to any emerging trends within the University.

QUALITY OBJECTIVES

1. To Produce 3,000 graduates annually equipped with knowledge and skills for local and global job market in their respective fields
2. Increase the number of qualified faculty at the level of Lecturer and above from the current 307 to 317 in 2022/2023 financial year
3. Improve teaching infrastructure facilities for use in pursuit of University's goals by increasing equipped lecture space area from the current 11,471m^2 to 14,471m^2 in the next four (4) years
4. Increase External Research and Innovation funding by at least 1% of the previous year's allocation and dissemination of research findings that positively impact the community
5. Promote local and international sustainable linkages and partnerships with other institutions, by undertaking five (5) Memorandum of Understandings annually
