QUALITY POLICY STATEMENT

Masinde Muliro University of Science and Technology is committed to providing high quality education that offers intellectual, social, cultural and economic benefits through quality teaching, training, research, consultancy, extension and community service.

The University is dedicated to improved service delivery, professionalism, innovativeness, teamwork and integrity; to prepare scholars of high intellectual capacity relevant to societal needs. The university realizes that customer and stakeholder needs and expectations continually change. Therefore, it undertakes to continuously understand and stay ahead of the trends in this regard.

The University Management undertakes to realize this goal by identifying and mitigating any risks and opportunities and periodically monitoring the institution's performance through customer and industry surveys, annual performance and implementation of an effective and efficient QMS based on ISO 9001:2015 standard, statutory/regulatory and customer requirements

This quality policy statement shall be reviewed annually to adapt to any emerging trends within the University.

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY

QUALITY OBJECTIVES

1. To produce at least 3,500 graduates annually equipped with appropriate competencies and values for the job market and society.
2. To improve infrastructure facilities for use in pursuit of University's goals by increasing lecture space area from the current 5,078m² to 6,828m² in the next three (3) years.
3. To promote high quality, high impact research and innovation by increasing external research and innovation fundings by at least 10% annually.
4. To sustain community engagement by increasing the number of linkages and partnerships by at least 10% annually.
